Dauphin County Tech Sponsors Instructor for Tour de Pink

Carpentry teacher rides for breast cancer awareness

HARRISBURG — September 23, 2011 — On Friday, September

23, 2011, the Dauphin County Technical School's Wolverine Council raised \$1,836.85 during the school's first dress down day of the year. All of the money raised was used to sponsor our carpentry instructor, Mr. Carroll, to ride in the East Coast Tour de Pink

(www.ysctourdepink.org), September 23-25, 2011.

Mr. Carroll and his son joined over 200 riders in the three-day event to raise awareness of breast cancer and its effects on young women. Mr. Carroll's personal experience with helping his wife during her battle with breast cancer – and the challenge from his son – spurred him on to ride.

Congratulations to Mr. Carroll and the Wolverine Council!
