DAUPHIN COUNTY TECHNICAL SCHOOL

DCTS Make-Up Days Announced

During the month of September, DCTS closed for two days due to flooding caused by Tropical Storm Lee, and two days due to power outage caused by lightning striking two transformers at the school. Correspondence was sent to the PA Department of Education requesting forgiveness of the four days; however, only two days (lightning) were approved. DCTS will make-up one day on **THURSDAY, APRIL 5, 2012**, originally scheduled for the Spring Holiday; DCTS's school calendar has one day built into the year for the first make-up day.

Dr. Kevin Lacey
Director
