Press Release

Rebuilding Biloxi II, Back to the Bayou

Pancake Breakfast

Dauphin County Technical School's Building Construction Shop to host second annual Pancake Breakfast Saturday, December 13, 7:30am – 12noon

Dauphin County Technical School's Building Construction Shop, in partnership with the Lower Paxton Lions Club, is holding their second annual Pancake Breakfast on Saturday, December 13, 2008 from 7:30am – 12:00noon in the DCTS Cafeteria. Come visit Santa Claus and take away fresh-baked items from the bake sale.

All proceeds from the Pancake Breakfast to benefit the DCTS Building Construction students' "Rebuilding Biloxi II, Back the Bayou" trip. Led by instructors Robert Brightbill and Sharon Deiling, the students are returning to Biloxi this year – by request – to continue in the rebuilding effort.

Tickets are on sale now at the school or at the door the day of the event: \$6.00/adult and \$3.00 children under 12

Please contact the Dauphin County Technical School Community Relations office with any questions.
