# Fundamentals of Plumbing

*Invest in Yourself or Someone Else*

The Fundamentals of Plumbing course covers water supply lines, copper, PEX, CPVC and connections between them. It also covers Drain/Waste/Vent systems of a residence and how they work. Students will learn to cut, fit, and install PVC, set, troubleshoot and repair toilets, install bathroom and kitchen sinks, faucets and connect/clean/repair traps.

**Cost** \$480 (*We accept Visa, MasterCard & Discover*)

**Acceptable forms of payment:**

**Personal Pay:** Credit/Debit or Money Order, or Cash

**Company Pay:** Company Credit Card or Company Check

Registration and fee deadline is one week prior to the first class. Individuals are not considered registered with DCTS until payment is made and a completed application is submitted to the Adult & Continuing Education Office.

*April 20 – May 25, 2021*

*Tues & Thurs.*

*5:30p 8:30 – No class May 18*

**Space is limited so sign up early to confirm your seat.**
